Welcome to this KTH networking event, organized within [www.fordonsdalen.se](http://www.fordonsdalen.se). We will have stimulating presentations and interesting discussions around ideas on how to make future transportation more sustainable. Let's discuss obstacles and solutions, and together identify research challenges and collaboration opportunities.

**Program** includes sessions on *Future directions and societal challenges, Needs and solutions, Academic approaches*, and organized conversations over lunch

**Speakers** from Trafikverket, Region Stockholm, IVL, SEI, Scania, Einride, Univrses, PostNord, and more & KTH centers such as ITRL, Digital Futures, TRENoP, Climate Action center

**Time:** Tue 2022-09-20 09.00 - 14.00

**Location:** KTH Campus, Teknikringen 1, Gradängsalen + live streaming

**Registration:** free of charge, deadline Sept 13
